She is USGF safety certified as well as certified in infant, child and adult CPR. She is a mother of 3 children, ages 8, 10 and 13. Since she opened Tumbleweeds in January 2001, it has achieved great things and she wants to thank all of Tumbleweeds' customers for spreading the word about her unique classes and making the program the best in the area! Come check it out, we have a blast!

Beth Evans-Lutz holds a Bachelor of Fine Arts Degree and graduated Cum-Laude from Syracuse University. She was an Assistant Manager of a High End Artisan Gallery for 4 years. She developed her own collection of jewelry which sold in galleries across the United States, Canada, and the Caribbean for 6 years. She has taught children for over 30 years and has consistently developed programs that teach in a creative, fun and educational atmosphere. This same approach is what has made Tumbleweeds the best gymnastic facility in the area for the past 11 years. Her love of Art and children will make this program a great addition to Tumbleweeds.
